

Lista articole publicate, lucrari prezenta (2015-2024)

Lista articolelor publicate in reviste de specialitate:

1. **Tiron Marcvert M.**, Constantin C., Stoica L. - Discoloration of food dyes from aqueous media by ozonation. Case study: Brilliant Blue. *UPB Sci Bull*, Serie B, Vol 81, Iss 3, 2019
2. **Tiron Marcvert M.**, Tiron S., Alassadi A., Stoica L -The dual behavior of ozone – Environmental and health implication. *Journal of Environment Protection and Ecology*, 20, No 2, 976-985, 2019
3. **Marcvert Tiron M.**, Lucaciu I.E., Nita Lazar M., Gheorghe S - Considerations on the Toxicity of Brilliant Blue FCF Aqueous Solutions before and after Ozonation. *Rev. Chim.*, 71 (4), 2020, 356-365
4. Crisciu AV, Stoica L, Constantin C, **Marcvert M**, Hanganu A, Ianos MG. Kinetic Modeling of Brilliant Blue Discoloration by Ozonation. *Sustainability*. 2024; 16(21):9591.

Articol in curs de publicare: **Marcvert (Tiron) M**, Tiron S., Constantin C., Stoica L. - Efficient Neurophysiopathological & Chemical Action of Ozone Therapy on Patients with Trigeminal Neuralgia. *Annals of Medicine* (Submission ID: 240026333)

Lucrări prezentate la manifestări științifice naționale și internaționale:

1. **Marcvert M.**, Tiron S., Stoica L. The ozone – Applications for the Treatment of Drinking/Residual Water and Medicine. EcoProWater Conference 2015- Viterbo, Italia 2015
2. **Marcvert M.**, Tiron S., Alassadi A., Stoica L. Ozone Interactions with the Environment and Biological Systems. RICCE- Sibiu 2016
3. **Marcvert M.**, Tiron S., Alassadi A., Stoica L. The dual behavior of the ozone – Environmental and health implications (poster) Conference of the Balkan Environmental Association - Bucuresti 2016
4. **Marcvert M.**, Tiron S. Athletic Performance – Multidisciplinary Medical Approach. Convegno Nazionale Gheos - Bergamo, Italia 2017
5. **Marcvert M.**, Stoica L., Constantin C. Removal of Brilliant Blue FCF by Ozone – an alternative for Waste Water Treatment. RICCE – Poiana Brasov 2017
6. **Marcvert M.**, Tiron S. The Ethiopatogenic Target of Ozone Therapy. National Conference of SSROOT – Bucuresti 2018
7. **Marcvert M.**, Tiron S., Dontu S., Popescu M.C. Ozone Therapy - Present and Perspectives. 7th World OzoneTherapy Federation Congress Meeting, Bucuresti 2022
8. **Marcvert M.** Medical and Experimental Facts pleading for Ozone Therapy. Ozone Therapy Day Agenda – European Parliament, Bruxelles 2024

Prezentari la Cursuri nationale si internationale:

1. **Marcvert M.** Aplicarea corecta a Oxigen-Ozono-terapiei Curs postuniversitar SSROOT. Facultatea de Medicina “Carol Davila” Bucuresti, Facultatea de Medicina “Victor Babes” Timisoara, Facultatea de Medicina “Titu Maiorescu” Bucuresti (2011-2019)

2. **Marcvart M.** Ozonul - Notiuni de chimie. Aplicatii. Atestat de Studii de Medicina Complementara “Ozonoterapia in Practica medicala” Universitatea de Medicina si Farmacie din Craiova (2023-2024)
3. **Marcvart M.** Farmacologia ozonului medical (1). Efecte biologice directe si indirekte - (idem)
4. **Marcvart M.** Farmacologia ozonului medical (2). Tinte etio-patogenice-(idem)
5. **Marcvart M.** Toxicologia ozonului – aspecte generale - (idem)
6. **Marcvart M.** Efectele terapeutice ale ozonului medical-aplicatii in patologie - (idem)
7. **Marcvart M.** Ozonoterapia in durerea cronica – abordare pluridisciplinara - (idem)
8. **Marcvart M.** The etiopathogenic target of ozone therapy - Master “Oxygen-ozone therapy in the medical practice: from basic mechanisms to treatment” Università di Verona, 2022,2023
