

1. 2nd Bucharest Polymer Conference, 2nd BPC 2021, 9-11 iunie 2021, Bucuresti. Titlu lucrare "*Design and characterization of GO COOH decorated hybrid scaffolds based on alginate/gelatin using electrospinning technique*" autori **J. Ghitman**, E.I. Biru, G. G. Pircalabioru, E. Cojocaru, H. Iovu.
2. 2nd Bucharest Polymer Conference, 2nd BPC 2021, 9-11 iunie 2021, Bucuresti. Titlu lucrare "*Synthesis and Characterization of Novel Scaffolds based on Citric Acid functionalized Chitosan containing rGO-TEPA with Nanofibrous Architecture for Application in Wound Dressings*", Cojocaru E, **Ghitman J**, Iovu H.
3. 2nd Bucharest Polymer Conference, 2nd BPC 2021, 9-11 iunie 2021, Bucuresti. Titlu lucrare *Mannose functionalized hybrid nanocarriers for antibacterial drug delivery*, Zainea A, **Ghitman J.**, Iovu H.
4. 31st Annual Conference of the European Society for Biomaterials, ESB 2021", 5-9 septembrie 2021, Porto Portugalia. Titlu lucrare "*Novel bioinspired GO-COOH decorated hybrid scaffolds based on natural polymers with potential application in tissue engineering*" autori **J. Ghitman**, E. . Biru, G. G. Pircalabioru, H. Iovu.
5. 31st Annual Conference of the European Society for Biomaterials, ESB 2021", 5-9 septembrie 2021, Porto Portugalia. Titlu lucrare *Methacryloyl mucin-tannic acid double network hydrogels*, Olaret E., Balanuca B., Onas AM., **Ghitman J.**, Iovu H., Stancu I,
6. European Congress and Exhibition on Advanced Materials and Processes, EUROMAT 2021, 12-16 septembrie 2021, Graz Austria. Titlu lucrare "*Novel bioinspired GO-COOH decorated hybrid scaffolds based on natural polymers designed by electrospinning technique*" autori **J. Ghitman**, E. I. Biru, G. G. Pircalabioru, E. Cojocaru, H. Iovu.
7. European Congress and Exhibition on Advanced Materials and Processes, EUROMAT 2021, 12-16 septembrie 2021, Graz Austria. Titlu lucrare *Single and Double Network systems based on methacryloyl mucin*, Serafim, A., Olăreț, E., Bălănuță, B., Onaș, A. M., Ghitman, J., Iovu, H., Stancu, I. C.,
8. 5th Edition of International Conference on Chemical Engineering, ICCE 2020" 28-30 Octombrie, 2020, Iasi, Romania. Titlu lucrare "*Design of functionalized hybrid PLGA-vegetable oils nanoparticles for targeted delivery of lipophilic drugs*", **Ghitman J.**, Stan R., Iovu H.
9. 21th Romanian International Conference on Chemistry and Chemical Engineering University Politehnica of Bucharest, Mamaia, **Romania** 04.09.2019 -07.09.2019. Titlu lucrare "*Hybrid PLGA-vegetable oils nanoparticles for improving stability and encapsulation efficiency of lipophilic drugs*", **Ghitman J.**, Stan R., Iovu H.
10. European Polymer Congress (EPF-19) Heraklion Crete, **Greece** 09.06.2019-14.06.2019. Titlu lucrare "*Hybrid PLGA-vegetable oils nanocarriers: smart tools for lipophilic drugs delivery*", **Ghitman J.**, Stan R., Iovu H.
11. 20th Romanian International Conference on Chemistry and Chemical Engineering University Politehnica of Bucharest, Poiana Brasov, **Romania** 06.09.2017 -09.09.2017. Titlu lucrare "*New polymer - vegetable oil nanoparticles with potential biomedical applications*", **Ghitman J.**, Stan R., Iovu H.
12. 13th International Conference on Materials Chemistry (MC13) Liverpool, **United Kingdom** 10.07.2017 – 13.07.2017. Titlu lucrare "*New polymer - vegetable oil nanoparticles as nanocarriers for antibacterial drugs*" **Ghitman J.**, Stan R., Cecoltan S., Chifriuc M., Iovu H.
13. 13th International Conference on Materials Chemistry (MC13) Liverpool, **United Kingdom** 10.07.2017 – 13.07.2017. Titlu lucrare "*Nanohybrids based on dithiol-dimethacrylate reinforced with POSS*", **J. Ghitman**, N. Florea, E. Vasile, H.Iovu, A. Lungu.
14. 7th International Conference „Biomaterials, Tissue Engineering and Medical Devices”, University Politehnica of Bucharest, Constanta, **Romania** 15.09.2016 – 17.09.2016. Titlu lucrare "*Innovative vegetable oil-PLGA hybrid nanoparticles with potential biomedical applications*", **Ghitman J.**, Stan R., Iovu H.
15. 1st Edition of the International Conference 3D Modelling Techniques for Biomedical Engineering,

University Politehnica of Bucharest, 13.05 – 14.05.2016, Titlu lucrare” *Recent progresses in POSS based thiol-methacrylate nano-hybrids*”, **J. Ghitman**, N. Florea, S. Cecoltan, C. Damian, A. Lungu, H. Iovu ·
